

BRAD NAILER

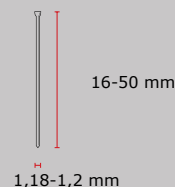

The S200BN pneumatic brad nailer drives 1,2mm (AX) brad nails from 16 to 50mm. With special features including the easy clear nose piece, soft rubber grip and reload indicator, it makes your job easier. Being part of the SemiPro range, this brad nailer is designed for light-duty, semi-professional and DIY applications. SemiPro tools feature restrictive trigger action for maximum safety and are covered by Senco's 1-Year warranty.
