SENCO®

FUSION CORDLESS BRAD NAILER

SENCO'S F-18XP brad nailer, with Fusion Technology, has the power and utility of a pneumatic tool, combined with the convenience of a cordless tool. The nailer drives 1,2 (AX) brad nails, ranging in length from 15mm to 55mm. Thanks to its patented design that provides an instant shot when the trigger is pulled, there is no rampup time. Perfect for trim crews, remodelers, punchout, or anyone who doesn't want to deal with the hassle of a hose and compressor.
